

A photograph of a desert landscape featuring rolling sand dunes. The foreground is a smooth, golden-brown dune slope. In the background, a darker, more prominent dune rises against a pale, overcast sky. The overall mood is serene and quiet.

The Band

Desert Wind was founded in the early 90's by lead guitarist and composer Eric Lary. The band's present style combines elements of Jazz, Funk and Soul and has developed via Bebop, Jazz-Fusion and Ethno-Jazz.

The Musicians

Today, apart from Eric's guitar-sound, Lisa Nielsen (vocals), Wolfgang „Joe“ Schirl (bass) and Ilan Askapa (drums) shape Desert Wind's unmistakable style.

Jewish Jazz

For this program Eric Lary turned to the traditional tunes of his native Israel and combined them with stylistic elements of American Jazz. The result is a Jazzy groove with Hebrew appeal, which has found enthusiastic audiences because of its energy and humor.
